Michele, please see MJ's edit.
I think it does help the letter read better.

If you think Mita will be ok with it or want to run it by her just let me know.

I'll await hearing from you before we send it out.

Thanks,

Dan

How do you feel about rewriting the sentence you had a concern with to read:

This proposal is a staff recommendation and requires approval by the Enforcement and Compliance Assurance Division Director before being memorialized in an Administrative Order on Consent (AOC).

Let me know how you'd like to proceed.

Angela,

Please find the attached (link to folder below) letter for review, routing, and signature. I have included a link to the shared folder and provided permissions for all on the routing slip. You should be able to make any necessary changes and save to the folder and then route, providing the link below, to the next person. Please let me know if you have any questions or need me to do anything. If it is easier, I can route to the attorney once you have completed your review. Just let me know how best to proceed.
